

**“Together We Can  
Accomplish More!”** Kris  
Galliard, PTO President

***Letter from the PTO President***

Hello Families, Students, Teachers  
& Redfield Staff,

I would like to introduce myself as well as express what an honor it is to take on the role as the PTO President for the 2020 – 2021 school year as well as join such an amazing PTO team and group of individuals. I know many of you however, there are several of you that I have not had the pleasure to meet. I am looking forward to meeting all of you in the coming months! A little about myself - I have two boys, Aiden (9 years old) who will be transitioning into 4<sup>th</sup> grade at Redfield and Jaxon (11 years old) who graduated 5<sup>th</sup> grade this year at Redfield and he will be transitioning to Desert Canyon Middle School this year. I have

also been the Room Mom for both of my boys throughout the last 4 years. I am extremely passionate about Redfield and the community which has been created by all of you for so many years and the reason why I am so excited to take on this role!

I want all of you to know that I am here to listen to your feedback. Any ideas or suggestions that you have, please do not hesitate to reach out to me or anyone on the PTO team. I feel that the more we engage, collaborate and communicate will assist our PTO team to better support students and our Redfield community. I know that we have had a trying time the last few months and there is some uncertainty as to how we will move forward however, I want to ensure you that the PTO team will continue to support the events, celebrations and fundraising activities at Redfield whether that be in person or virtually.

Finally, my commitment to all of you as the PTO President is to promote communication between students, parents and faculty to assist in fostering a cohesive team between all of you and the PTO staff. In addition, my goal is to cultivate and create an even greater sense of community within the PTO group and the Redfield team as well! Also, the PTO team is always looking for volunteers so please reach out to me or anyone on the PTO staff if you are interested in volunteering. We also have a few positions

available on our PTO team so please review them and contact me if you are interested. Your assistance and help is truly appreciated in continuing to make Redfield an amazing school!

Stay safe and healthy!
