

Redfield PTO
Executive Meeting Notes
Tuesday, March 15, 2016

5:30 pm - Called to order

Attendance: Sheri Ashton, Andrea Augustine, Shannon Bundschuh, Kate Janson, Dan Kraatz, Susan Sokolow, Coletta Taylor. Not Present: Leilani Barbosa, John Turner.

I. President - Update

- Kindergarten Tablet donations – Kindergarten Teachers have asked for one (1) more tablet per class to help with larger class size. The Board voted to pass this measure. The Board is also aware of a possible additional Kindergarten class for next year which may need 6 tablets with cases.
- School Improvements- The Board discussed creating a Parent Survey to decide which initiatives to purchase this year. The most popular suggestions include: Outdoor Learning Space, Improvement to Flagpole area on campus, Teacher Aides, and Additional Tech purchases; the idea of providing a Class Laptop (one per class--used primarily by the Teacher) has also been suggested. PTO Finance confirmed that we have up \$30,000 allocated for this school year.

II. Events

- Kate Janson recommended Redfield PTO used the Fun Run Vendor Booster-thon again next year. The margin and message were favorable. The specifics of the contract would remain the same as 2015-16. The Board voted to pass this measure.
- There will be a Fun Run t-shirt contest again at the end of the year. Events may promote the T-shirt contest at the Celebration of Learning.
- Movie Night is April 1st, the Movie that we are showing is 'Minions'. The Board passed a measure to provide funds for a 14-16 oz popcorn machine to be available for Movie Night and other events.

III. Misc.

- The PTO has donated a new outdoor PA system which will be available for Movie Night and Rockstar events (new system integrates with I-pod technology).
- The PTO will purchase a copy machine for the PTO's use; the Board agreed to purchase a machine that has a security feature available.
- The Administration wants to confirm that all flyers sent out by the PTO have the SUSD disclaimer. "*The Scottsdale Unified School District neither endorses nor sponsors the organization or activity represented in this material. The distribution or display of this material is provided as a community service.*"
 - Any flyer that has Redfield families 'enroll' must be sent to the Office to be distributed electronically only.
 - Due to the current state of school equipment, the only copies are to be made on Redfield Elementary copy machines, are to be educational in nature.
- The PTO Board will meet again, **April 5th at Kneaders Bakery at 6pm.**

Meeting adjourned 6:40 pm.
